CIRCULAR NO. 118

Dear Members,

It's time for the next monthly meeting of the AD/HD Family Support Group that will be held on **Friday 9th November 2007 at Junior College Msida, starting 6.30 p.m.** The meeting will start with a very brief introduction regarding work being done in Adult ADHD section of the group. We will then be showing the second part of the video "123 Magic" which treats suggestions about behaviour modification. Afterwards there will be a discussion about points raised during such video.

The PSD sessions **are going** to be held. We do encourage you to bring your kids with AD/HD who are seven years of age and over for such sessions. The child minding services for children under seven years of age will be available as usual.

Ms Simone Schembri has successfully finished the coaching course she was doing. The group supported such training. In view of this the group will be offering such services to members at a reduced rate of Lm3.00 (EUR 6.99) per session. The offer relates to sessions under what is referred to as the First Contract which translates itself into six coaching sessions.

Regarding premises we have started the refurbishment of the garage we have rented at Msida. The next step at the same time is to await for the processing of the application for electricity so that we could then be able to use such premises for the purposes of an office and library for the group.

The group would like to express its congratulations to Philip Gruppetta, a member of the group and member of the team that Malta sent to the Special Olympics in Shanghai. Philip participated in the field of bowling and won medals in both the Team and Individual events. Well Done Philip.

The committee is also working on a website for the group. Such website is already set in a static form, that is the address is booked and allocated. Ms Vivienne is coordinating the collation of information for such website (www.adhdmalta.org) which should be up and running in the near future.

Yours Sincerely

Olav Attard

Secretary AD/HD Family Support Group
