CIRCULAR NO. 121

Dear Members,

A Happy New Year to All. We hope you all had a bit of rest during the festive season and charged to start the year in earnest. It's time for the next monthly meeting of the AD/HD Family Support Group that will be held on **Friday 11th January 2008 at Junior College Msida, starting 6.30 p.m.** Due to unforeseen circumstances the speaker for the meeting had to cancel the appointment at the eleventh hour and so the meeting will be what we refer to as an open meeting where those present can speak, ask and share about experiences and any information regarding ADHD.

The **PSD** sessions **will** be held. We do encourage you to bring your kids with AD/HD who are seven years of age and over for such sessions. The **child minding services** for children under seven years of age **will** also be available as usual.

We remind members regarding the coaching service the group is offering through Ms Simone Schembri, as well as regards the static website (www.adhdmalta.org).
