CIRCULAR NO. 122

Dear Members,

We write to remind all members regarding the next monthly meeting of the AD/HD Family Support Group that will be held on **Friday 8th February 2008 at Junior College Msida, starting 6.30 p.m.** The speaker for the meeting will be Ms Roberta Zahra De Domenico who is a Clinical Psychologist and Family Therapist. Ms Zahra De Domenico will be addressing the group on “Behaviour Modification”. The first part of the meeting will be the talk itself, and the second part will be a time allocated for questions relating to the subject.

The **PSD** sessions **will** be held as usual. We do encourage you to bring your kids with AD/HD who are seven years of age and over for such sessions. The **child minding services** for children under seven years of age **will** also be available as usual.

The group has been approached by Ms Roberta Blanco who is doing a dissertation on “Parents and ADHD” as part of her studies in BSc Nursing Studies. The main aim of such dissertation is to explore the educational needs of Parents of children diagnosed with ADHD. Attached to this newsletter one finds further information in both Maltese and English. Ms Blanco, in her endeavour to collate as much information as possible, is looking for volunteer parents who would accept to attend a two hour discussion meeting for which five parents would be attending. The dates set for the meetings are **Tuesday 12th February; Monday 18th February; Tuesday 19th February and Friday 22nd February. The time will be agreed by mutual consent.** Parents are being asked to attend only **ONE** of the meetings. Please do contact Ms Blanco on 21317764 / 79734579 or on blankus86@gmail.com. You will be asked for contact details as well as to indicate a preferred date for a meeting. The committee encourages parents to take part in such initiative as it does mean a lot for ADHD in Malta.

We remind members regarding the coaching service the group is offering through Ms Simone Schembri, as well as regards the static website (www.adhdmalta.org).

Yours Sincerely

Olav Attard
