CIRCULAR NO. 125

Dear Members,

We write to remind all members regarding the next monthly meeting of the AD/HD Family Support Group that will be held on **Friday 9th May 2008 at Junior College Msida, starting 6.30 p.m.** The meeting will be addressed by Ms Pauline Bartolo who is a guidance teacher from Giovanni Curmi Higher Secondary School. Ms Bartolo will be speaking about “Life after Form 5”.

The **PSD** sessions **will** be held as usual. We do encourage you to bring your kids with AD/HD who are seven years of age and over for such sessions. The **child minding services** for children under seven years of age **will** also be available as usual.

During the last meeting, which was the AGM, there was the election of the new committee which is made up of Ms Tessa Anastasi, Ms Ruth Mangion, Mr Albert Gruppetta, Ms Sue Camilleri, Ms Marlene Chetcuti Ganado, Ms Vivienne Portelli and Mr Olav Attard. We assure you that all have started their work in earnest. The committee also expresses its thanks to all members who attended the AGM in making such meeting one that gives the necessary input and direction to the group. A special thanks goes to Ms Tessa Anastasi, Chairperson of the group for many years, who, as referred in the AGM, has decided to support the committee through her presence without any specific role.

The group was represented in a meeting held in Brussels on 5th and 6th April 2008, during which various groups of AD/HD from different European countries, including ADHD Malta, founded ADHD Europe. We are proud to be part of such founder members and look forward to contribute and receive to and from such European Organisation.

The Group reminds all members that the long awaited website has been launched and is fully functional. The website can be accessed on www.adhdmalta.org. We encourage all members to regularly access such website and disseminate as much as possible the existence of such website.

We remind members regarding the coaching service the group is offering through Ms Simone Schembri. For more information please visit the website or contact on Ms Ruth Mangion on the Group's telephone or by e-mail on coaching@adhdmalta.org.

A notice from Madame Treasurer to remind all members with regards to the membership fee for the year 2008. Tagged along we are collecting again the personal information of all members so as to update the details to account for any possible changes, including e-mail addresses so that we could possibly set up a list of e-mails to which we could send relevant information with regards to ADHD or any notices from the group.

Yours Sincerely

Ruth Mangion
