CIRCULAR NO. 157

Dear All,

For those of you who thought we were going to participate in the Xarabank programme on June 10th, we aren't. It has been cancelled, or postponed, time will tell if they call us again.

It would have been a great way to arouse awareness but also we would have had a problem finding youngsters willing to give testimony in front of such a large viewership.

Meanwhile, we are still having our meeting, as usual, on June 10th. As advised at the last meeting, it will be an open meeting and we look forward to meeting you all. The group will divide up, according to the children's ages, into two groups and we can then talk about whatever bothers you, worries you, or makes you laugh/cry.

This meeting will take place at Gian Francisk Abela as usual, at Msida, and there will be the library books for you to look through and take home to read at 6.00 p.m.

As usual there will be the PSD sessions for those children aged 7 and over. May I remind you that a small donation is welcome to help pay the minders for the stationery they use.

We look forward to seeing you,

Kind regards,

Suzanne Bezzina
Hon. Secretary
